ISLAND BRIGHT SPOT EXCHANGE

Success is built upon initiatives that work – bright spots. To build resilient and sustainable island communities we need to invest in the bright spots that can be scaled and replicated through innovative partnerships to achieve our global development goals.

This event will bring together leaders of island bright spots into a participatory dialogue with participants to share successes and inspire new leadership for a sustainable future.

Date: Tuesday 2 September 2014
Time: 15:00 - 16:30
Venue: CM4 – Side Event Ref No. 65
Third International Conference on Small Island Developing States, Apia, Samoa

Topics for round table discussions will be held on:
• Food security & invasive species
• Oceans & voyaging
• Leadership in blue/green growth
• Innovative financing
• Sustainable island communities

This event will be followed by a Kava-Side Chat at a different location. Please email info@glispa.org for venue.
